

Sept 15, 2010

Dear Dr. Price —

Just to thank you personally for your great talent, your knowledge and your skill — You are a wonderful, truthful practitioner of your "art" of medicine —

Thank you for helping me to look my best while still looking like "me" — The scar above my mouth is much less noticeable now and not the 1st thing I see when I look in the mirror. — over

I trust your judgment and advice —

Your grateful patient —
